Subject

Matters related to the Food Sanitation Act

1. Product Part Number

E-HRT

2. Results

The constituent materials of E-HRT are determined by the revised Food Sanitation Law Positive List System (enforced on June 1, 2020).

Although it is not applicable to synthetic resins, it is composed of substances listed in the PL list, and is compliant with the Food Sanitation Law and standards for foods, additives, etc.

We have confirmed that it complies with the standards (Ministry of Health and Welfare Notification No. 370 of 1959).

However, it cannot be used for oily and fatty foods.
