

Dear Valued Customers,

Notice: Product Marking Color Change

We will be changing the marking color of the product, “Flexible Fluorine (ETFE) Resin Tubing (Ultra Soft Type) [E-SJUS] as described below.

- (a) Applicable Product Name: Flexible Fluorine (ETFE) Resin Tubing (Ultra Soft Type)
- (b) Applicable Part Number: E-SJUS
- (c) Contents of Change:
 - The product marking color will be changing from blue to orange.

***Current Marking Color**

***New Marking Color**

- (d) Reason for Change:
 - For the Marking Color Standardization
 - After this change, the product marking color of both “Flexible Fluorine (ETFE) Resin Tubing (Ultra Soft Type)” [E-SJUS] and “Flexible Fluorine (ETFE) Resin Tubing Black (Ultra Soft Type)” [E-SJUS-BK] will be orange.
- (e) Date of Change:
 - Effective with Production on or After October 1, 2025

*Notes: Depending on our stocks, some sizes may have the previous marking (blue color) even after October 1, 2025. Except this product marking color change, please be reassured that the product specifications remain the same. We appreciate your understanding.
